| Base | Diffuzor | Recommendation |
| ABS | AC | Fizikailag kevésbé, de kémiai agresszív környezet / istállók, olyan helységek, ahol vegyszert alkalmaznak, tárolnak. Less physical, but chemical aggressive environment / stables, rooms where chemicals are used, stored. |
| PC | PC | Kémiai kevésbé, de fizikailag agresszív környezet / vandalizmusnak és szélsőséges körülményeknek kitett helységek. Less chemical, but physical aggressive environment / rooms exposed to vandalism and extreme conditions. |
| PC | AC | Fizikailag és kémiai semleges környezetbe javasolt párosítás, kiváló optikai tulajdonságokkal. Recommended pairing for physically and chemically neutral environment, excellent optical properties. |

Minden esetben javasoljuk a lentiekben megadott vegyszerállóság ellenőrzését és figyelembe vételét.
Speciális környezetben történő alkalmazás előtt javasoljuk, hogy munkatársunkkal konzultáljon.
